COLLECTIVE™
HUMAN ACTIVE TECHNOLOGY

WORKSTATIONS

WORKSTATIONS

HAT Collective workstations epitomize innovative design and functionality, helping to easily create an active, productive office environment. Sleek aesthetic and quality construction come together to provide a beautiful, healthy, and personalized work experience. Our standard product line offers unmistakable European flare and our in-stock bases are ideal for quick installations.

IN-STOCK

MID HAT

NEXT-LEVEL ADJUSTABILITY.

This two-legged, height-adjustable base is the ultimate in workspace transformation. The exclusive Folding HAT frame design allows for easy assembly, quickly fitting into any corner or rectangular station. The quiet electric motor system is eco-friendly and makes movement simple.

HAT bases are reliably stocked in three colors. This clever design is expandable, with no fixed-width cross bar to stand in your way.

Hi HAT Workstation

IN-STOCK

HI HAT

FREEDOM TO MOVE.

Create an active work environment with a base that offers maximum height capability. With Hi HAT, users have increased access to movement, which allows for a healthier, happier, and more productive work life.

This sturdy three-stage electric base uses an easy-to-assemble, folding frame design. The width of the base is expandable and includes a reliable, programmable handset, dual sync motors, and the assurance of an anti-collision safety monitor.

HAT Benching Workstation

IN-STOCK

HAT BENCHING

MAXIMIZE FLOOR SPACE.

This dynamic benching unit provides flexibility and affordability in one sleek solution. Replace traditional workstations with all-in-one benching, allowing employees to maintain movement by alternating between sitting and standing positions throughout the day. HAT benching quickly creates a productive, comfortable, and healthy office environment.

The expandable HAT Benching design is available in various widths and can be used with PET, fabric, acrylic, or white board dividers. The unit incorporates a convenient built-in power and data beam, along with position programming and dual sync motors for safe, easy height adjustments.

HAT Benching Workstation, E2 Monitor Arm, Snap On Charging Cap, PET Divider, Mobile Pedestal Slim with Cushion

HAT GROUP & CONFERENCE TABLE

MOVE TOGETHER.

Team meetings may be long, but they don't have to be painful. This four-legged electric conference base means even shared workspaces can transition from sit to stand.

Improve the productivity of your brainstorming sessions with this impressively large height-adjustable electric base. Expandable widths and multiple worksurface options ensure the right fit for your space.

HAT Power & Data Beam

IN-STOCK

HAT POWER & DATA BEAM

POWER, CONSOLIDATED.

Keep your workspace organized and powered up with this convenient plug-in track. Whether you need power or data or voice to do your job, this accessory allows for a clean custom set-up.

The lightweight Power & Data Beam keeps wires off the floor and nestled neatly under your worksurface. Its built-in BYRNE 8 TRAC power system includes a four-circuit, eight-wire electrical system. The beam also allows for integrated divider installation.

HAT Power & Data Beam, Acrylic Divider, Mid HAT Workstation, E5 Monitor Arm, Reya Power, Mobile Pedestal with Cushion

S-COLLECTION

SE 2-LEG, 2-STAGE

SIMPLY ELEGANT, WONDERFULLY FUNCTIONAL.

This 2 Leg, 2-Stage desking solution exemplifies the Danish design principles of simplicity and functionality. This electric, height-adjustable table offers a slightly smaller height range than the 3-Stage, but with equal weight capacity and visual configurations.

A wide range of color combinations, finishes, and surface shapes make the 2-Stage a highly customizable option. This electric sit-to-stand table comes in a 2-leg configuration with a long list of optional features.

S-Collection SX 3-Stage Workstation, E2 Monitor Arm, Reya Power, AURA Divider, HAT Power & Data Beam, Collective Storage Credenza with Cushion, Iku Task Chair

S-COLLECTION SX 2-LEG, 3-STAGE

THE PINNACLE OF DESIGN,
QUALITY, AND VERSATILITY.

The 2-Leg, 3-Stage offers S-Collection's largest height range. This electric sit-to-stand table comes in a 2-leg configuration, with all of the bells and whistles we could fit onto one worksurface.

Elegance meets powerful functionality in this 2-leg, 3-stage height adjustable desking solution. Choose from a wide range of laminates, finishes, and optional tech features to create your ideal workspace.

S-COLLECTION 3-LEG

WORKSPACE SATISFACTION IS JUST AROUND THE CORNER.

Office planning has never been easier. Our 3-Leg S-Collection offers beautifully comfortable, flexible, and ergonomic solutions for your work environment.

Our 3-leg electric desks are available in both 2 and 3-stage height adjustability, along with a multitude of opportunities for customization. No matter what your requirements, S-Collection can be configured to satisfy.

S-Collection 3-Leg Workstation, E5 Monitor Arm, Reya Power, Pocket Cable Management, Iku Task Chair

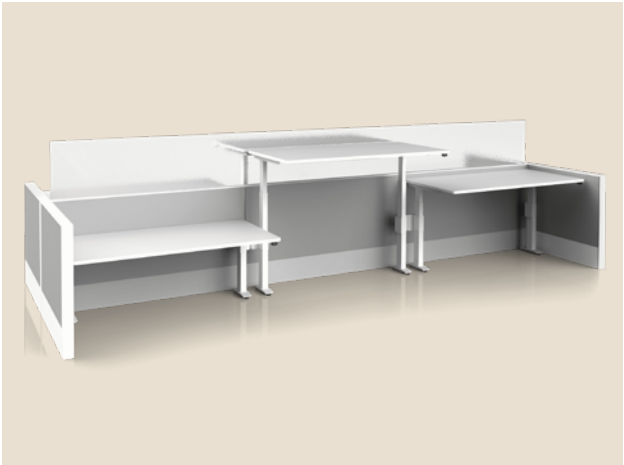

S-Collection Panel Mounted Workstation, Mesa Slide Divider

S-COLLECTION PANEL MOUNTED

INTEGRATION THAT WORKS, WHEREVER YOU NEED IT.

Our panel integration solution is designed to create a seamless union between the S-Collection and panel systems. Brackets introduce a safe locking solution into the system by staying free from pinch points and avoiding interference with existing furniture.

Panel Mount integration is available for new systems as well as pre-installed units. Working with existing panels presents a cost-efficient option and reduces waste for a more environmentally friendly approach. Integration also creates space below the surface by allowing for the use of smaller feet. The recessed frame design is perfect for adding a storage pedestal or CPU.

S-Collection Panel Mounted Workstation

Height Range	2-Stage: 27.1" - 45.6" 3-Stage: 22.2" - 48.7"

Elle Workstation

ELLE

THE PERFECT COMPANION
FOR A HEALTHY WORKDAY.

This elegant, Parsons-style table offers unmatched stability compared to other 4-leg, height-adjustable models.

Elle is available in four different surface-mounting conditions, for a tailored design and fit. The optional cable tray makes power management easy, while the adjustable crossbar allows for simple reconfiguration.

Elle Workstation with Top Mounted Worksurface

ELLEHAVEN

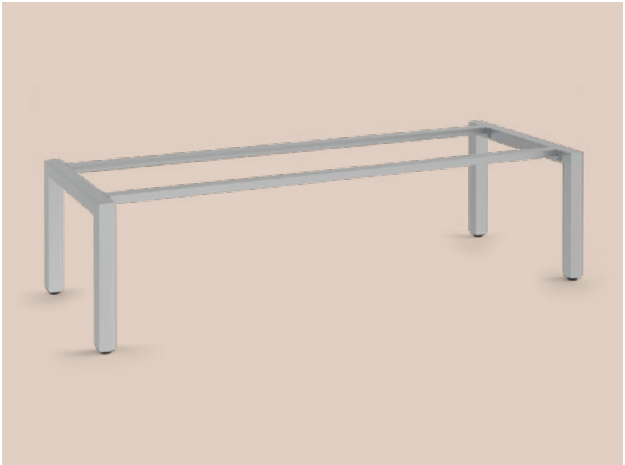

SLEEK DESIGN AND THE FREEDOM OF CHOICE.

Designed and manufactured in Denmark, Ellehaven's sleek and sophisticated design is only the beginning. Ellehaven's electric lift can be powered by cable or battery. This built-in flexibility makes this height-adjustable table suitable for any layout, while maintaining your environment's aesthetics. An optional wire management tray holds batteries and wires in place for added organization.

M-Series Freestanding Table

M-SERIES FREESTANDING

DESIGNED WITH EASE AND VERSATILITY IN MIND.

Whether as a stand-alone workstation, in a pod layout, or as a touch-down surface, the height-adjustable M-Series flexes to work for you. This customizable table is available in three models and a variety of specifications, which means it fits wherever you need it. Choose your ideal worksurface shape to get the base and top combo that best suits your needs.

M-Series Freestanding Table

M-SERIES NESTING

THESE INDIVIDUAL NESTING DESKS
WORK HARD, MAKING YOUR JOB EASIER.

M-Series Nesting combines collaborative, mobile desking with the benefits of sit-to-stand. The unique flower petal design enables quick room reconfiguration, from training rows to huddle groups, and nesting saves space.

Nesting desktops can even be ordered with dry-erase white board laminate, allowing users to jot notes during a meeting, flip the top to 90 degrees, and present on their own personal white board. Your training room has now become an ergonomic, innovative, and flexible resource for the entire team.
